Words	Meaning	Usage
		I replied that, so far as I knew, the
		state governments of Colorado and
		California were not engaged in war
		activities — killing people —
		except in that there were death-
		related industries in these states,
		and I could see there was "some
	lie; mislead; attempt to conceal	equivocation" possible on the state
Equivocate	the truth	or local level.
		Expand the idea of "usefulness" to
		include such unbiased information
		as can be gathered not only from
		research, but from every
		responsible source—from families,
		from journalists, and from
		literature produced according to
		standards both archaic and
		modern. Let's develop resourceful,
		inventive new methods of
		identifying trustworthy
		information—with disinterested
		intellectual rigor, and with the
		shared desire to build a better
		future. The medical establishment,
		patients and patient groups,
		research professionals,
		pharmaceutical companies, media!
		There is more in heaven and earth
		than is dreamt of in your
		randomized controlled trials. Let's
Disinterested	unprejudiced	join together to learn all we can.
District esteu	anprejatioes	When [Jonathan] Neighbors
		performs as Blaze, she puts on
		makeup for a pageant by taking
		pieces from her drag family's styles
		— the way they paint or dress —
		and mixes them to tell their family
		story. Her drag sisters have shared
		secrets like different ways to apply
		makeup and how to dress for her
		body. She paints a family portrait
		on her own face. In most cases,
		drag mothers choose their drag
		daughters, and this relationship is
		not only an extension of family but
		one similar to classical
Flodgling	ingyporionsed	apprenticeship. A daughter learns
Fledgling	linexperienced	techniques from a skilled artist as

		would any fledgling painter.
Viscous	sticky, gluey	
	penetrable; porous; allowing	
Permeable	liquids or gas to pass through	
Erudite	learned; scholarly	
		When the FAA's antihijacking task
		force first convened in February
		1969, its ten members knew they
		faced a daunting challenge—not
		only because of the severity of the
		crisis, but also due to the airlines'
		intransigence. Having spent vast
		sums on Beltway lobbyists, the
		airlines had the political clout to
		nix any security measure that
		might inconvenience their
		customers. So whatever solutions
		the FAA proposed would have to
	refusal of any compromise;	be imperceptible to the vast
Intransigence	stubbornness	majority of travelers.
Oscillate	vibrate; waver	
Apathy	lack of caring; indifference	
	peripheral; only slightly connected;	
Tangential	digressing	
Profound	deep; not superficial; complete	
		Helman's plan may have worked
		too well. Ever since it went into
		effect, partners have competed
		aggressively not just against
		lawyers at other firms, but against
		one another. Chicago partners
		would fly into New York to poach
		clients from their Manhattanite
		counterparts, holding clandestine
		meetings in which they would
		pitch themselves as less expensive
		and a mere two-hour plane ride
		away.7 When the New Yorkers
		invariably caught wind of these
		plots, they would remind clients
		that they were far more efficient than their Midwestern cousins.
		What we would end up saying is
		Chicago will staff you with four
		partners on something we'd staff
		with one or two,"' recalls a former
		partner. 'It's crazy that I have to go
Donigrato	hlackon	in and have a conversation about
i i manar na	I M WWM	i i imminratinπ

Elicit	draw out by discussion	
		At the same time, Governor Perry
		was preparing to launch his
		presidential bid, burnishing his
		résumé for a national conservative
		audience. It wasn't a good time to
		be a Democrat, but it wasn't a
		great time to be a moderate
Burnish	make shiny by rubbing; polish	Republican either.
		The theater's advance publicity
		had suggested that boorish
		behavior in the audience was
		allowed. Although management
		banned the crowd from bringing
		rocks greater than two inches in
		diameter, ticket buyers still carried
		in turnips, cabbages, and an old tin
Boorish	rudo, inconcitivo	wash boiler, all of which ended up
DUUTSII	rude; insensitive	thrown onto the stage. Musically, the tune plays out more
		like a funereal dirge than a
		wedding march, thanks to morose
		church organ and gently strummed
Dirge	Lament with music	acoustic guitar.
Direc	Lament With masic	The All-Volunteer Force is like a
		burger from a fast-food joint: it's
		cheap, filling and tastes good going
		down. What's not to like? Take a
		closer look, however, and
		problems with the existing U.S.
		military system become apparent.
		It encourages political
		irresponsibility. It underwrites an
		insipid conception of citizenship.
		It's undemocratic. It turns out to
		be exorbitantly expensive. And it
Insipid	lacking in flavor; dull	doesn't win.
Anomalous	abnormal; irregular	
	banish to an inferior position;	
Relegate	delegate; assign	
Implicit	understood but not stated	
Amalgamate	combine; unite in one body	
Inconsequential	insignificant; unimportant	
		Dahl's whimsical yet macabre and
		darkly comic stories piqued my
		imagination for the first time in
		those years, and — being a shy,
Mhimeical	capricious, fanciful	quiet kid — showed me that

	assert confidently or declare; as	
Aver	used in law, state formally as a fact	
	showing excitement; overflowing	It took real effort to find the cemetery in Lower Burma, but in Greenland, the world's largest island, it was impossible to miss it. The capital city, Nuuk, has just 17,000 people, with a mere 39,000 more concentrated in settlements across the rest of the of the country. New graves are decorated with ebullient arrangements of artificial flowers, which, when they wither, are not replaced. 'We do not visit graves,' said Salik Hard, whom I met while travelling there. 'Once a person is gone, we go on
Ebullient	with enthusiasm	to the future.'
Dissemble	disquise; protond	I don't want him to know. I don't want anyone to. I want the world to be blissfully ignorant of pain like this. There is so much pain out there already. Eating at us. Digging through us. Pain of the mind. Of the body. Of our culture. Our lives. Pain that erodes. Pain that dissembles. Pain that obliterates and erases.
Audacious	disguise; pretend daring; bold	and erases.
Insensible	unconscious; unresponsive	
	seemingly reasonable but	He has also called for a massive expansion of oil drilling in the United States, apparently in an effort to defuse criticism from those who argue speciously that 'drill, baby, drill' is the answer to our growing dependence on
Specious	incorrect; misleading (often	foreign oil."
Partisan	one-sided; prejudiced; committed to a party artistic; dealing with or capable of	
Aesthetic	appreciating the beautiful Something that discourages;	
Deterrent	hindrance defame; destroy confidence in;	
Discredit	disbelieve	With great subtlety, Nunez uses
Cood	urgo on	her intimate experience of the

and lifestyle to illuminate some of the tensions that all writers experience—tensions between the need to write without fetters and the need to make money, and between the confidence that's necessary to accomplish anything and the insecurity that can act as a goad, or a filter. The charges will be seen by most defendants as arbitrary, onerous and basically unfair. They will create a legitimacy deficit' in the system, which will be sensed most keenly by those whose commitment to the rule of law is most tentative. Homogeneous Onerous burdensome of the same kind In another Tribune story, Bliss and Griffin noted that Linda Taylor had been arrested twice in the 1960s for absconding with children, though she wasn't convicted in either case because the little ones were returned. Abscond Abscond depart secretly and hide It portrays Christian, when you get down to it—tolerance, self-sacrifice, giving your baby mama your pool-cleaning money, respecting the songwriting genius of Gary Pucket and the Union Gap. 	Admonish	warn· renrove	

		admonish me to punish me the
		admonish me, to punish me the
		way that I used to do to myself.
		The lack of medical education on
		the topic, a near-total absence of
		research on transgender health
		issues and the resulting paucity of
		evidence-based treatment
Paucity	Scarcity	guidelines leave many at a loss."
		He climbed the biggest mountains.
		And when he was on duty, he
		seemed to get the biggest calls.
		Injury, trauma, death—for 30
		years, that pager was on 24/7, and
		he couldn't get a reprieve. You'd
	impenetrable; incapable of being	have to be naive to think that he'd
Impervious	damaged or distressed	be impervious to it."
Impervious	damaged of distressed	The capacity to be alone is the
		capacity to be alone is the
		yourself and who you are, and be
		1 -
		comfortable enough with that.
		That way, when you are with
		another person, you're not trying
		to make that person into
		somebody you need them to be in
		order to buttress a fragile sense of
		your own self. You can actually
		turn to a person and see them as
		another person, and have a real
Buttress	support; prop up	relationship with them.
	acquire; take possession of for	
Appropriate	one's own use	
Aberrant	abnormal, or deviant	
		Madoff victim Alexandra Penney,
		who lost her life savings in the
		ponzi scheme, on Bernie's dirty
		fantasies, living the frugal life, and
Frugality	thrift; economy	some post-Ponzi schadenfreude.
, , , , , , , , , , , , , , , , , , ,		"'Be careful shaking your head,'
		said her son Maddox, who was
		sitting on the other side of the
		enormous bed, watching
		'Homeland' on his iPad. 'A shard of
		your beauty just hit me in the
		face.' She barely heard him. She let
		her eye cast around the room for a
Shard	fragment, generally of pottery	moment.
		It wasn't the compendium of facts
		in the chapter "Water! Water!
Compandium	hrief comprehensive summary	Waterl" or indeed in the entire

		book. It was that Carey McWilliams wrote about Southern California with sensibilities my eye, ear, and nose recognized.
Eulogy	expression of praise, often on the occasion of someone's death	A son's eulogy for his father: "A few years ago, when my son Mack was a baby, we took the train to Aberdeen, and we made the mistake of counting on the Harford County taxi system to pick us up. It was cold and raining, and the baby was cold and getting rained on. And after half an hour, with the dispatcher still promising a cab in 10 minutes, he loaded an oxygen bottle into the car and headed down West Bel Air Avenue, the oxygen ticking in the passenger side, to get his grandson in out of the rain.
Inundate	overwhelm; flood; submerge	
Tortuous	winding; full of curves	
Diffuse	wordy, rambling, spread out (like a gas)	
Contentious	quarrelsome	When the author returns to her family's coal mining roots in Harlan County, Kentucky, she tries to make sense of her family legacy, as well as America's complicated, contentious relationship with coal.
Coagulate	thicken; congeal; clot	·
Enervate	weaken	Despite its many variants, the marvelous corpse has found its most generative expressions in two related figurations: the physically enervated corpse and the superhero's diseased body.
Incongruity	lack of harmony; absurdity	
J ,	,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,	It's a fallacy to think that because of the Internet we all have access to every story ever written and every story worth reading gets passed around like the flu until
Fallacious	false; misleading	we're all coughing in unison.
Saturate	soak thoroughly	
Implode	burst inward	
Porous	full of pores; like a sieve	
Fervor	glowing ardor; intensity of feeling	
611.	1 111 6 1	H=1 .7 .1 1 1 · .1 · 1 ·

		zoonotic diseases: They remind us, as St. Francis did, that we humans are inseparable from the natural world. In fact, there is no 'natural world,' it's a bad and artificial phrase."
Decorum	propriety; orderliness and good taste in manners	
Malingerer	one who feigns illness to escape duty	New religions are no less phantasmagorical. Immersed in the Oz books as a malingering schoolgirl, I wanted to "have adventures" when I grew up. My wish came true.
Contention	claim; thesis	
Confound	confuse; puzzle	
Desultory	aimless; haphazard; digressing at random	At one, a group was talking in a desultory, elliptical way, and, as one of them departed, he turned to his friends and said, "I love you all" with a trailing wave of the hand, like he was heading off to save Mars.
Dhlaggastia		McConnell himself later admitted that an accompanying radio ad attacking Huddleston for his attendance at committee meetings was "fundamentally unfair" and "kind of ridiculous." But the line of attack rang true, given that the phlegmatic Huddleston was running such a lackluster campaign. Voters ate it up—especially the conservative Democrats who might otherwise be left cool by the Louisville lawyer
Phlegmatic	calm; not easily disturbed	with the briefcase.
Distend Dissolution	expand; swell out disintegration; looseness in morals	
Strut	supporting bar	
Luminous	shining; issuing light	
Mollify	soothe	Samantha Stephens, the witch on "Bewitched," was a high-strung, self-doubting, cringing prefeminist, who tidied her house and suppressed her magical powers and her intellect to mollify her wanky husband, Darrin.
Falastia	colortino, compand of classicate	· · ·

	drawn from disparate sources	
		You had the main word and then those odd drill-downs in different directions—even more recondite things. So the book itself does that now. You have the main word, and then it branches out into related
Recondite	abstruse; profound; secret	words.
		Last two years of my Ph.D. has established a couple of things vividly for me. For instance, you must realize that it is your Ph.D. (just like life!), and you cannot crib or blame your loss of time on someone else (howsoever tempting). You cannot hang in abeyance for long. You have to decide your goals. Yeah, both of
		them: short-term and
Abeyance	suspended action	long-term targets.
Discordant Craven	not harmonious; conflicting cowardly	
Craven	the state of having contradictory or	
Ambivalence	conflicting emotional attitudes	
Laconic	brief and to the point	Amid the universal praise, one main line of critique against the show has been its use of nostalgia as an alibi for underdeveloped women characters, a hallmark of boys-centered '80s flicks. Here Cruz writes about one of the show's most interesting characters (and most impressive performances, by Millie Bobby Brown): the laconic, telekinetic Eleven.
Distill	purify; refine; concentrate	
Octorioticus	showy; pretentious; trying to	It has become a symbol of conformity. "Suit" was the chosen insult of hippies to describe a dull establishment man. The garment has been ostentatiously rejected
Ostentatious	attract attention	by Silicon Valley titans like Steve

		Jobs of Apple, Mark Zuckerberg of
		Facebook and Sergey Brin of
		Google.
		I had read his journalism and was
		_
		already in awe of his brilliance and wit and couldn't think what on
		earth I could bring to his table. I don't know if he sensed the
		diffidence on my part—no, of
		course he did; he never missed
		anything—but he set me instantly
		at ease, and so began one of the
Diffidence	Shyness	great friendships and benisons of my life.
Difficence	yielding; conforming to	iny iiic.
Compliant	requirements	
Appease	pacify or soothe; relieve	
преше	pacity of section, remove	'It is a simple agreement between
		FRC and your brother,' Lance
		Harding said, maintaining an aura
		of imperturbable patience. 'Often
		individuals wish to pass on
		knowledge outside of the rubric of
		wills and other legal formats. Some
		leave a spoken message, others
		might wish to pass along a note or
Imperturbable	calm; placid	a small package.'
Tacit	understood; not put into words	1 0
		The holiday season isn't easy. Even
		the most well-adjusted person has
		to deal with stressful family
		members, strained finances, and
		travel logistics. Mental
		illness exacerbate these stressors
Exacerbate	worsen; embitter	even more.
		"The main room at Dee's Tots
		looks like a supersized slumber
		party, but the truth is this is an
		ordinary day." The thought of
		leaving a child at daycare overnight
		might sound unthinkable for
		middle-class and affluent parents.
		But for people who rely on
		unpredictable shift work and who
		deal with stagnant wages and
		precarious employment, round-
		the-clock day care facilities are a
		necessity. This piece tells the story
Precarious	uncertain: risky	of one such place in New Rochelle
Procarious	uncertain: riskv	precarious employment, round- the-clock day care facilities are a necessity. This piece tells the story

		New York.
		Crying constitution is a minor
		American art form. "This is my
		copy of the Constitution," John
		Boehner, the Speaker of the
		House, said at a Tea Party rally in
		Ohio last year, holding up a pocket-
		size pamphlet. "And I'm going to
		stand here with the Founding
		Fathers, who wrote in the
		preamble, 'We hold these truths to
		be self-evident, that all men are
		created equal, that they are
		endowed by their creator with
		certain unalienable rights including
		life, liberty and the pursuit of
		happiness.' " Not to nitpick, but
		this is not the preamble to the
		Constitution. It is the second
		sentence of the Declaration of
Preamble	introductory statement	Independence.
Treamble	unintentionally; by oversight;	писреписнее.
Inadvertently	carelessly	
Subside	settle down; descend; grow quiet	
Substitute	absence of governing body; state	
Anarchy	of disorder	
Dormant	sleeping; lethargic; latent	
		A true connoisseur of the chicken
		tender knows that there are three
Immutable	unchangeable	immutable rules.
		Research shows that veganism,
		which obviates the inherent waste
		involved in growing the grains used
		to fatten animals for food in
		conventional systems, is seven
		times more energy efficient than
		eating meat and, if embraced
		globally, could reduce greenhouse
		gas emissions from conventional
		agriculture by 94 percent. Any
		pretext to explore meat eating's
		moral underpinnings—and possibly
		land upon an excuse for pursuing a
		plant-based diet as a viable goal—
		would be consistent with the
		movement's anticorporate,
Obviate	make unnecessary; get rid of	ecologically driven mission.
Vacillate	waver; fluctuate	
Floor	noom or cong overossing	"Lingar for a while over the idea of

	lamentation	the elegy. Where a conventional smoking-cessation preacher tells the reader he has nothing to lose but his chains, Klein acknowledges that to quit is to experience a loss, and takes his time mourning a dying idea of fun."
Inert	inactive; lacking power to move
